**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local ISP that provides excellent service at a reasonable price. I went to them after having awful experiences with both ATT and Comcast, both of whom never answer the phone and provide spotty service to small or remote customers. Please don't approve deregulation in any manner that will further enhance their monopolistic advantages and drive the small good companies out of business. Keep the regulations to keep competitive telecom; recognize that competition is what brings us quality.
